Quality, Food Safety, Occupational, Safety & Health Policy (QFOSH)

East Man Resources Sdn Bhd (EMRSB) is an offshore catering service provider that strive to continuously improve its services and importance of food safety in its activities, especially in receiving food provisions, storage, processing and distributing to our customers to ensure customers satisfaction is consistently satisfied through moral obligation to maintain food safety to ourselves, customers, and consumers. EMRSB committed to provide safe and healthy working conditions for the prevention, elimination and reduce QFOSH of work-related injury and ill health through ALARP concept.

We will ensure our integrated (QFOSH) management system shall be continuously reviewed and improve in its effectiveness through:

- Ensure all inspection criteria includes quality, food safety and OSH requirements are always communicated, inspected, verified, and validated at all relevant stages with our interested and relevant parties
- Manage and measure the performance of our integrated (QFOSH) management system to ensure its effectiveness and sustainability
- Respond and comply all applicable legal requirements and customer requirement in maintaining our integrated (QFOSH) management system
- Shall communicate, implement, and maintain consultation and participation of workers in the integrated (QFOSH) management system
- Be consistent in providing training to our employees on the integrated (QFOSH) Management System

Every employee of East Man Resources shall be responsible to ensure the integrity of this integrated safety quality policy.

HJ ABDUL RAHMAN BIN DAMAIRAH
